"I Have Lost The Receipt"

Thus spoke the man who was asked to settle a bill that he claimed to have paid a month previously. He had placed the receipt in his pocket with other papers and now could not find it.

He had paid cash, so could do nothing except pay the bill a second time.

That man learned a lesson from this incident—he now pays all his bills by check. In case of dispute about a paid bill, he can now use his cancelled checks as proof of payment.

Do you pay by check? It is the safe and businesslike way.

On Monday magistrate Moses held quite an interesting court before many of the young boys in the town. Depredations of a minor nature has gotten to be of frequent occurrence and one lad was before his honor, who was acquitted He made it very clear to all boys under 16 years of age that it was necessary that they should stay off the street after dark. The admonition of the court has had a good effect as we have not seen many boys on the street after dark since the court delivered its exhaustive opinion on curfew laws

Dr. Christian dressed the hand and reports it doing well

Vera school took up a collection for the New East Relief Fund, requiring all the pupils to contribute a penny, if every school in the county would do this an enormous amount would be collected and many a poor little starving Armenion would be rescued from the geim destroyer.

The mail did not come from Appomattox Wednesday, the 15th, on account of a terrible wind and rain storm the worst of the season. Consequently we felt very much isolated for a day.

The good housewives of the neighborhood are busy with each other in the early hatching of chicks, we know of some that were hatched on Jan 22. Can anyone beat that? The hawks are causing depravations among the flocks already.

It is regretable that parents in the rural districts will not cooperate with the teachers and until they do we need not expect perfect schools, as the teacher cannot do her best unless she has the full support of the patrons

Some of the tots of the neighborhood have gotten their Lenten Mite boxes and are selling home made candy to make money for their Easter offering

Miss Homer Coleman daughter of Mr. Walter Coleman, of Spout Spring is spending the winter with her aunt, Mrs Walker O'Brien and attending school at Vera.

Judson Carter is taking lessons by mail prepairing for civil service examination for railroad mail clerk, we hope he will be successful.

Jim Robertson has joined the Merchant Marine and is now in Panama Verily as soon as our fledgelings can fly they are out of the home nest and gone, it's up to us Ruralites to make home more attractive to our sons and daughters if we want to keep them with us. We can do this in no better way than by having good roads. I wonder if the good people who have suffered broken down wagons jaded horses and extra teams to get their wares from the station during the past two months of mud and mire realize that they could have paid their part of the tax on a bond issue for five years for what they have spent in repairs and extra hire. Not only that but the cities would help us pay the taxes on a bond issue. So why fight it?

We expect to see another new building going up in the near future as one of the young beaux of the neighborhood is dividing his attention between two lovely females of the school. He considers one his "Pearl of Great Price" and the other "The Flower of his heart" he doesn't know yet which he will take but he could be happy with either if the other dear charmer were away.

The following is taken from the Lynchburg News: A telegram was received yesterday announcing the death of Perl Chandler Stevens at Cincinnati, Ohio, in his sixty-fifth year. He is survived by his widow four sisters and one brother—Viva and Sherman Stevens of La Junta Col, Mrs A C Mentfee and Mrs. H. W. Kinney, of Vera, and Mrs. C J. App, of Lynchburg.

Master Judson Stevens Kinney Jr, celebrated the third anniversary of his birth date the 18th, by inviting his little friends to spend the afternoon in playing games &c.—the game that seem to please them most was the one that has pleased so many young and old "Tailing the Donkey", Minnie Sue Childers was the fortunate little lady who won the prize, a box of candy. Refreshments were served after which each were given a fancy basket of candy as a souvenier All went home in a happy frame of mind wishing the little man many more such birthdays

Appomattox Citizen in Auto Collision

As a result of a collision Sunday afternoon of two automobiles Mrs H. C. Adkerson is suffering from severe cuts on the face and head and her uncle, Mr. John Sears, of Appomattox, who was in the car with her has a broken rib. G S Hutter Jr., the driver of the other car was not injured Bet the and Alice Adkerson the two small children of Mrs Adkerson also escaped without hurt. Mrs Adkerson said that she was driving into Rivermont avenue from Enston when the car driven by Mr Hutter crushed into the left side of her machine. Both cars were badly crushed. Mr. Hutter is said to have confessed that he was driving his coupe at a speed of more than 30 miles an hour. A physician took several stitches in the wound in Mrs. Adkerson's face.—Lynchburg News

IS YOUR HEALTH GRADUALLY SLIPPING?

Interesting Experience of a Texas Lady Who Declares That if More Women Knew About Cardui They Would Be Spared Much Sickness and Worry.

Navasota, Texas.—Mrs. W. M. Peden, of this place, relates the following interesting account of how she recovered her strength, having realized that she was actually losing her health:

"Health is the greatest thing in the world, and when you feel that gradually slipping away from you, you certainly sit up and take notice. That is what I did some time ago when I found myself in a very nervous, run-down condition of health. I was so tired and felt so lifeless I could hardly go at all.

"I was just no account for work. I would get a bucket of water and would feel so weak I would have to set it down before I felt like I could lift it to the shelf. In this condition, of course, to do even my housework was a task almost impossible to accomplish.

"I was . . . nervous and easily upset. I couldn't rest well at night and was . . . just lifeless.

"I heard of Cardui and after reading I decided I had some female trouble that was pulling me down. I sent for Cardui and began it. . .

"In a very short while after I began the Cardui Home Treatment I saw an improvement and it wasn't long until I was all right—good appetite, splendid rest, and much stronger so that I easily did my house work.

"Later I took a bottle of Cardui as a tonic. I can recommend Cardui and gladly do so, for if more women knew, it would save a great deal of worry and sickness."

The enthusiastic praise of thousands of other women who have found Cardui helpful should convince you that it is worth trying All druggists sell it. I. 78
